

P V conjecture

made on 6/6/99, 11:10 am

power minimizn. holds b...

1. Whenever PCFB \exists

2. For broader class of P_e

PROACH: Prove that something is a concave function of something

$$R_{xy} = R_{yx} = R_{xy} + \dots$$

$$s(n) + \eta(n)$$

$$\pi s(n)$$
